

Access guide.

What to expect

This is a series of **free workshops** to help build a cardboard pier in Weston-super-Mare!

The **workshops** will be at a private space inside **The Sovereign**.

The workshop will begin with the artist explaining the project, and what you will be constructing.

Then you will do **folding, cutting, taping and assembling cardboard boxes together.**

How To Get There

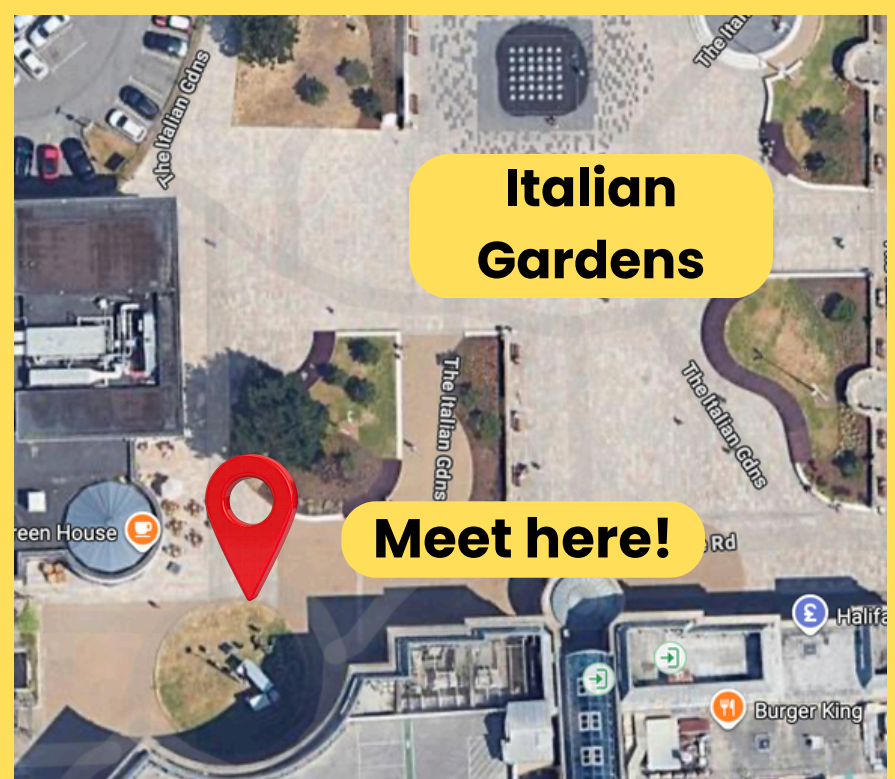

A person from Super Culture will meet you at the circular garden, close to The Green House Cafe, at the Italian Gardens.

The person you meet will be wearing a pink Hi-Vis.

Here is a map of our meeting point.

The main entrance to the workshop is via 2 flights of stairs, **if stairs are a barrier, please let us know** and we'll arrange to meet you at a different entrance .

There is **seating** available.

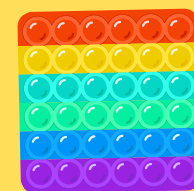

There are **Accessible Toilets** in the workshop space.

Accessible Parking is available at The Sovereign.

There are some **fidget toys** and **ear defenders** available.

If you need anything, a member of the team will help you. They will be wearing a **pink Hi-Vis Jacket**.

**Get in touch if
you have
any accessibility
needs.**
